This manual assumes that you are familiar with basic operation of the Macintosh, Synclavier and/or Direct-to-Disk. If you are unfamiliar with windows, the menu bar or the hierarchical file system, please see the *Macintosh II* manual.

If you are unfamiliar with booting the system or using the Real-Time Performance displays, please see the *Introduction* manual which includes a Quick Tour of the Synclavier as well as basic operating instructions.

If the information you want is not in this manual, use the master index in the *Reference Guide* to locate the proper manual.
